ALICE
ASSET LIMITED, INCOME CONSTRAINED, EMPLOYED

These NEW partner programs will join our 40 other partner programs in our efforts to **HELP 10,000 MORE WORKING FAMILIES MEET THEIR BASIC NEEDS BY 2025.**

Goodwill - Wheels to Work Planning Grant: a collaborative effort to develop a three-county plan to provide safe, reliable transportation for area ALICE families.

Love INC – The Empower Project: a free 8-week program offering education on banking, insurance, investments, credit reports, money saving tips, and individual mentoring. Childcare is also provided for this incentive-based program.

Love INC Newaygo – Incentive Programs: incentives, such as gas cards, for financial literacy and job readiness program participants.

Employee Resource Network– Muskegon Expansion: ERNs support and educate employees through on-site success coaches who provide referrals, budgeting and emergency loans to assist with utilities, housing, transportation, and other emergencies.

Boys & Girls Club of Muskegon Lakeshore (BGCML) – Project Great Futures: programming aimed at academic success, healthy living and character and leadership development for students in Muskegon and Muskegon Heights.

Mission for Area People (MAP): MAP will assist in transportation needs of working families through emergency assistance.

El Centro Hispano de Oceana – Emergency Assistance Fund: pilot initiative providing financial stability to full-time residents of Oceana County employed in low-wage positions and struggle to meet unexpected expenses through emergency grants and loans.

Read Muskegon – Family Literacy: program supporting low-literacy ALICE families and their 0-5 year old children by offering a menu of literacy support services including: 1-1 tutoring ; weekly small group classes aimed at improving employment and life skills; literacy based play & learn groups, healthy cooking workshop, monthly family literacy dinners for incarcerated fathers, and family literacy events.

Fremont Service Committee of Classis Muskegon – Car Ministry: serving those who need transportation for work and medical visits by purchasing and/or repairing vehicles for families in need.
