

June 2023

Brothers and Sisters,

Labor Day, the first Monday in September, is a creation of the labor movement and is dedicated to the social and economic achievements of American workers. It constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country.

You are invited to join us in supporting and attending this year's Labor Day Workers United Parade and Celebration on Monday, September 4th, 2023.
